**Let's discuss how we can support your
next high-risk industrial project**

INDUSTRIES AND APPLICATIONS

CHEMICAL & PETROCHEMICAL

- Sulphuric & Phosphoric Acid Production
- EDC / VCM & Chlorinated Processes
- Acid Storage Tanks & Process Vessels
- Wet Electrostatic Precipitators (WESP)
- Secondary Containment & Drainage Systems

ENERGY & ENVIRONMENTAL

- Flue Gas Absorbers, Ducts & Chimney Linings
- Waste Incineration Systems
- Cooling & Process Water Structures
- Wastewater & Effluent Treatment Areas
- Venturi Units

BATTERY & AUTOMOTIVE PRODUCTION

- Electrolyte Handling Areas
- Acid-Resistant Floors & Surfaces
- ESD-Conductive Coating Systems
- Double-Walled Pump Sumps
- Wet Process Protection Systems

METALS, CEMENT & HEAVY PROCESS INDUSTRY

- Pickling Lines & Acid Handling Areas
- Smelting & Refining Zones
- Acid Condensation Zones
- Flue Gas Ducting & Stack Linings

WATER & INFRASTRUCTURE

- Ion Exchangers
- Filter Vessels
- Storage Basins & Tanks
- Channels & Containment Structures
- Chemical Dosing Areas
- Pipelines, Isotainer, Tank trailers, Railroad, Ships

MINING & HYDROMETALLURGY

- Leaching Circuits & Acid Tanks
- Slurry Handling Systems
- Autoclaves
- Refining & Smelting Zones
- Electrolyze cells

PULP AND PAPER

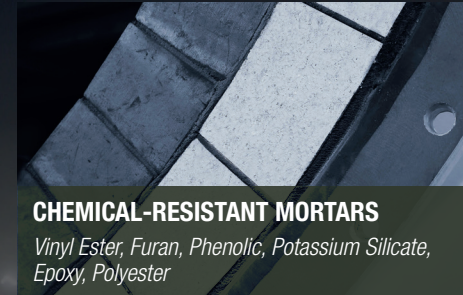

- Bleaching Towers
- Drying Towers
- Thickeners

TECHNOLOGY PORTFOLIO

ACID-PROOF BRICK & TILE LININGS

Fireclay Acid Brick, Red Shale, Carbon, Graphite, Silicon Carbide

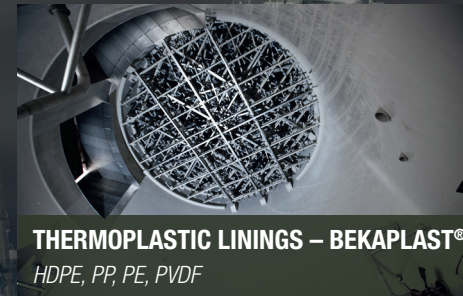

CHEMICAL-RESISTANT MORTARS

Vinyl Ester, Furan, Phenolic, Potassium Silicate, Epoxy, Polyester

RUBBER LINING SYSTEMS FOR WORKSHOP & ON-SITE APPLICATION

Hard, Soft, Primer, Adhesive

THERMOPLASTIC LININGS – BEKAPLAST®

HDPE, PP, PE, PVDF

HIGH-PERFORMANCE COATINGS & FRP LAMINATE SYSTEMS

Styrene free Vinyl Ester, Furan, Phenolic, Epoxy, Polyester, Polyurethane

CUSTOM TURN-KEY SOLUTIONS

Consulting & Engineering

Project Assessment & Solution Design

Research & Development

Advanced Laboratory Technology for Continuous Improvement

Production & Manufacturing

Stock-Based & Project Fabrication

Installation & Supervision

On-Site Execution

After-Sales & Service

Monitoring, Maintenance & Repair
